

We, the undersigned, petition the City of Surrey to:

KEEP THE RCMP IN SURREY

[Doug McCallum, mayor of Surrey B.C. wishes to replace the RCMP as the police force of Surrey with a municipal police force that he would be able to exert more personal power and control over. This proposed purely political move by Mr. McCallum is unacceptable to the undersigned for two reasons: 1) The RCMP performs a very satisfactory job of policing Surrey 2) The changeover and ongoing costs introducing a new police force are far too expensive for Surrey taxpayers.

We, the undersigned, therefore petition Surrey to continue using RCMP as its municipal police force.
