

ACCESSING THE NATIONAL DATABASE

All members now have access to their personal file in the National Database. This allows members to update their information plus it provides access to the Division Telephone Directory.

Access The Database <https://vetsdb.ca/Member.php>

1. Enter your email in the Username Field
2. Enter your Reg # in the Reg # field
3. And, enter your Reg # in the Password field

The program will see that the Reg # and Password are the same and it will bring up a new form where you have to give yourself a new password. You have to enter the password twice to confirm spelling. You cannot use your Reg # and the password must be 5 characters.

Once you have your password set up you sign in using your new password.
