JANUARY 2021

DIVISION PRESIDENT'S MESSAGE:

Happy 2021 my friends.

It comes as no surprise to anyone that all meetings are, of course, in abeyance which means that I have not officially donned the hat as Division president. However, I'm sure that Bob Underhill does not mind in the least not having to prepare this little missal.

It was difficult to greet the New Year with the obligatory "Happy" with the news, upon rising, of the on-duty death of Sgt. Andrew Harnett of Calgary Police Service. A fellow doing that business we are all so intimate with, meeting his end in an event that most of us performed routinely. It has become too common a reminder of the perils of policing. I only wish the citizens we serve realized this model of person

is more indicative of the people who wear the uniform than the perception distorted so horribly by events of last year.

It has also been difficult to see the passing of so many of our veterans in the last few weeks. We all know this must be, however it tugs at our collective memories and heartstrings to lose our friends.

I trust that brighter days are ahead. The new medications are rolling out more and more each day and let us hope that soon we will be able to mix and mingle again. I will be in constant contact with the executive and as soon as permissible we will meet to prepare for coming times. The original "Roaring 20's" followed hard on the heels of the Spanish Flu pandemic. I think we all have a newfound understanding of why folks reacted that way.

I believe that better days are dawning. May we "Roar" again soon.

Gord Cave, President
Vancouver Division

VANCOUVER DIVISION:

As Gord has mentioned in his message, the Provincial Health Orders, currently in place, preclude any in person gatherings for the foreseeable future. We are hopefully that with vaccinations being rolled out that we will be able to resume our activities at some point during the coming year. In the mean-time, please stay safe and stay healthy.

DIRECTOR OF HEALTH & WELFARE - ADVOCACY:

I had a number of Vets contact me regarding assistance with medical claims, and follow up on their pensions.

The recent National Bulletin regarding the absence of the COLA clause on Medical pensions, and the proposed catch up naturally raised a number of enquires that were resolved.

I have recently developed a number of contacts that I can now deal with direct, as a number of employees both RCMP Pension Division and the Veterans Affairs Branch are working from home, and undoubtedly a number of phone calls go directly to voice mail at these branches. A lot of the staff with these agencies are going the extra mile to assist during these difficult times.

Ruby BURNS, the National Advocacy Director is stepping down. She has done an excellent job and her shoes will be hard to fill. National is canvassing the Divisions for someone to step into the role.

Heath, Welfare and Advocacy

VETERANS DISABILITY PENSION INDEXING ERROR CLASS ACTION:

Dear Members of the Association,

Jan and Vic Gorman of Nova Scotia Division have provided a link to a public announcement by the law firm Murphy Battista of British Columbia that they are launching a class action lawsuit (Manuge v. Her Majesty The Queen: Federal Court: T-119-19)

From the Notification,

"Murphy Battista LLP has filed a proposed class action against the Government of Canada concerning an error that was made in the calculation of Veterans Affairs Canada Disability Benefits payable for the period 2002 to 2010. The error was allegedly discovered by the Government in 2010, but not disclosed to veterans until 2017 as a result of a report by the

Veterans Ombudsman. The Government of Canada has admitted there was an error and that \$165 million dollars is owed to the affected veterans. The Government of Canada has advised they will pay out the money in 2020 without interest."

The link to view the announcement follows. It is also noted that if you wish to receive information about the progress of the court process you may find out how to do it through the announcement. Earlier messages have discussed this situation and that discussion is available on the Association website and may be viewed by clicking [HERE](#).

Personal Protective Equipment

I need personal protective equipment to attend my health appointments. Will VAC pay for this?

Yes, you may be covered if you need to wear personal protective equipment such as non-medical masks and/or gloves to receive treatment. Additionally, if you need an escort to attend your appointment with you or if you have a family member attending VAC authorized treatment, their personal protective equipment will also be covered.

What type of personal protective equipment is covered?

VAC will reimburse the cost for personal protective equipment including non-medical masks and/or gloves, if your health professional requires you wear personal protective equipment. The current year is \$200.00/CY - Benefit Code 400935

How do I get reimbursed for personal protective equipment?

You can use your VAC Health Identification Card to purchase personal protective equipment. You can use this card with VAC registered health care providers such as your local pharmacy or treating health professional. They will bill VAC directly so you do not need to pay out of pocket. If you are unable to use your VAC Health Identification Card, please complete a VAC 918 Client Reimbursement Claim Form and submit to Medavie Blue Cross by mail to:

- National Reimbursement Centre
- PO Box 6700
- Moncton, NB E1C 0T8

You will need to submit your proof of payment (original receipt or invoice) that shows:

- the date you received the benefit or service;
- the name of the benefit or service;
- the amount you paid; and,
- the name and address of the provider.

OLD KIT DISPOSAL:

GOOD SERVICE PROVIDED – BUT TIME TO GO!

Vancouver Division members if you have been thinking it is time to clean out the closet of that old kit now is the time. "E" Division will be making a sweep of the division picking up old kit at detachments throughout the province. They have kindly included RCMP Veterans in this process.

If you scroll through this message, you will see a list of items that you can take to the closest detachment for drop-off. Also, there is a list of drop locations (detachments) where you can take your kit. Your old kit must be **DROPPED OFF BY JANUARY 29TH**. If you know of former members of the Force who may not be members of the Veterans' Association please pass this information onto them.

Note: Surrey Detachment will not be participating as they have their own process for kit disposal. I have only included

the drop off points for the LMD, should you require any locations outside the LMD let me know – bootsandspurs65@gmail.com

Ric Hall
Director – Historian
Vancouver Division
RCMP Veterans' Association

Good Day Commanders,

As discussed during today's teleconference, the RCMP Veterans Association has reached out and asked if they can drop off kit for disposal. In consultation with CROPS, the LMD SMT is asking that you please support the intake of RCMP Veteran's kit for disposal as the intent is to dispose of as much kit as we can that is not warranted any longer for operational use.

If you could please advise your employees, in particular the front counter staff, that there will be retired RCMP officers who may be attending your respective Detachment with potentially boxes or bags of RCMP issued kit for disposal, that would be greatly appreciated.

I will advise the RCMP Veterans that **January 29th** will be the cut-off date to drop off any items for disposal at the LMD Detachments with the exception of the Sunshine Coast, which the cut-off date will be **January 25th**.

If you have any questions, please do not hesitate to advise.

Regards,

David

Sergeant D.K. (David) DOUANGCHANH
Royal Canadian Mounted Police
Acting Staff Sergeant Major and Advisory NCO to the LMD District Commander

I have advised all the Commanders within the LMD District **today** on our bi-weekly teleconference to expect kit being dropped off by RCMP Veterans and will reiterate that in an email. I've attached the schedule for pickups and if the Veteran can get their kit to the Detachment prior to the date, that would be greatly appreciated.

For your awareness when you message the Vancouver Vets, please see the following excerpt from my original message to the LMD District. Additionally, I was just advised that Surrey Detachment will not be participating in this disposal run.

Collection for the Lower Mainland District will commence from Monday, February 1st to Wednesday, February 9th with the exception of the Sunshine Coast as their collection date will be Thursday, January 27th.

The LMD SMT asks that all Commanders all Detachments prepare accordingly and begin to have your members bring in their uniform and kit for disposal to a central collection point within your Detachment. Please encourage all members to return kit/uniform items they have at home or in their places of work that are no longer serviceable, have been replaced, or don't fit, so they can be destroyed.

It is critical that uniform items that could assist someone in personating a police officer be collected and destroyed. The following is a non-exhaustive list of items that will be collected:

- Duty belts and accessories, ceremonial belts, holsters.*
- Shirts, pants, jackets/parkas, SBA, SBA carriers.*
- Red/blue serge, police mountain bike uniform items*
- Safety vests with police markings*
- Hats/forage caps, epaulettes*
- All specialist kit items which have police/RCMP markings or identification,*
- Boots or shoes.*
- DO NOT include items such as batons or OC spray.*

I hope the Vancouver Vets can utilize this opportunity to rid themselves of much unwanted kit that they may still have in their possession. If you have any questions, please do not hesitate to advise.

Regards,

David

VANCOUVER DIVISION CHALLENGE COINS:

At our January meeting the purchase of Challenge Coins for our division was approved. The executive decided that each member of the Vancouver Division would be given a coin at no cost to individual members. The caveat being that the coins would not be mailed out due to the cost involved and that they would be provided to members at General (luncheon) Meetings in order to entice members to attend. Then Covid-19 struck and meetings have

been suspended. I volunteered to coordinate the distribution of our coins...why do I do this to myself? I would still like to stick to the plan of handing out the coins at our General Meetings when they commence. Rules are often broken. I know that we have many members that have belonged to our division for many years but due to their, or their spouse's, health issues are unable to attend our meetings. I would like to be able to give them personally, or by the proxy of a friend, or by mail, their Challenge Coin. If you fall into this category, please let me know how we can get you your Challenge Coin. Challenge Coins have become very collectible. I have received many requests for additional coins so that members can pass them onto friends. If you wish an additional coin the cost is \$20.00 which includes postage.

Questions? I can be contacted at bootsandspurs65@gmail.com or 604-853-5500 (Abbotsford)

CANADIAN BLOOD SERVICES:

The Canadian Blood Services has recently been running an advertising campaign to encourage registration for the stem cell donor program. Registration for this life saving program has dropped dramatically during the pandemic and the need for donors is greater than ever. While

most of us are not likely eligible to donate, younger family members or friends may be. We would ask that you bring this information to their attention so that they may consider registering as potential donors.

Through the Bruce Denniston Bone Marrow Society, many of our Veterans and other retired members are or have been volunteer couriers for the program, travelling to locations where a match has been found for a local patient. Again, the pandemic travel restrictions have greatly impacted this program as well. Vancouver Division created a video (**HAVE YOU GOT A MATCH**), that is available on YouTube, which tells the story of a retired RCMP member who received this life saving treatment. **CLICK** on the links below to access the video, the Canadian Blood Services site and the Bruce Denniston Bone Marrow Society site:

I will be asking our readers to let me know if they also wish to continue to receive the FFF newsletter. **All you need to do is to send me an email at frank.richter@shaw.ca** and I will put you on my new distribution list.*

Thanks again.
